Ask HN: Would this be a good blog / landing page for a side project? - SteveK13 I just signed up for blogger.com and I have not been on a blog for a while. I am thinking of putting a simple "Side project?" and then I am going to put the link for my project. I am building a web application that provides a statistical report of the NBA's team performance against another team. The report is dynamically generated and I am hoping that in a few months, if the demand is there, it is going to be a full-fledged feature in the report. Should I have a landing page or blog to help show the project details? I wanted
