patrthom b9c45beda1 raykala - January 19, 2022 09:31 am - I don't understand why she's acting like this! She's in love with me! And I don't love her back! I just talk to her like a friend. Well, or like a sister! That's the whole problem. I really like her! But she doesn't understand me. I do not know. I just do not know. I so want to tell her this and just talk, explain to her what I feel. But no. I ruin everything myself. I understand everything and betray her myself. I never thought I was like this, but I am. I don't need her as a friend.
